

THE GOAT HERDER'S DANCE

A country girl was herding goats
That frolicked on the grass so green.
Being bold, she went and told
Her boyfriend, Johnny:
“Dance with me!”

Tra la, Tra la, Tra la la la la, Hey!
Tra la la la la la ...

Repeat: Tra la la la la la ...

KAROLINKA'S BASKET

Karolinka pretty maid, pretty maid, pretty maid
Picked some flowers in the glade, in the glade, hey!
Johnny showed up with a laugh,
Broke her basket right in half.
No, no, no! No, no, no! Pay for it, and out you go!
No, no, no, ... (repeat)

Then to town she traveled, looking very fine.
Then to town... (repeat)
Charlie came a' courtin', Charlie came a' courtin',
With a flask of wine.
Charlie came ... (repeat)

THE QUAIL

Ran to chase a quail into the high grass.
Couldn't catch it, flying up. It's too fast.
Better ask Mom, my dear mother, help me,
Find a way to snatch that bird, but gently.

Catch the quail, yes, oh my child, go catch it.
Careful, do no damage as you snatch it.
If you set a trap that is enticing,
It will fly right in and thank you nicely.

THIS OLD BEAR

This old bear is fast asleep, shh, shh, shh.
This old bear is fast asleep, shh, shh, shh.
Careful, don't go near him.
Bad news, if he hears you.

When he wakes, he'll eat us up!
When he wakes, he'll eat us up!

TWO FRIENDS

Two friends, they went a' dancing, (3x)
But fell while they were prancing. Fahree, fahree, fi, dah.
They argued quite intensely (3x).
“It's your fault, I can't dance here!” Fahree, fahree, fi, dah.
Said one right to the other (3x):
“I'll find myself another.” Fahree, fahree, fi, dah.
